EXPERIENCES

Therap (BD) Ltd.   Sep 2018 - Present
Software Engineer II, QA (Oct 2021 – Present)
Software Engineer, QA (Oct 2019 – Sep 2021)
Associate Software Engineer, QA (Sep 2018 – Sep 2019)

- Acted as a key QA member in the team for several releases; tasks involved: carrying out smoke testing, confirmation testing, exploratory testing, data migration testing, and regression testing, documenting and reporting bugs, and demonstrating changes for drafting release notes
- Improved the efficiency of the QA workflow in the team twofold by contributing to developing and guiding automation efforts (web and API using Java, Selenium WebDriver, and REST Assured)
- Mentored and propagated domain knowledge to the junior team members
- Worked as a go-to person in the team for investigating production bugs and answering queries of the company's other members
- Contributed to the company's QA hiring process by interviewing candidates in the initial phase

Sourcetop, Inc.   Feb 2018 – Aug 2018
Jr. Software Engineer

- Developed Sourcetop's business website using Drupal 8
- Worked on data migration tasks for a project built using Moodle LMS

EDUCATION

BRAC University   Jan 2013 – Aug 2017
Bachelor of Science in Computer Science; CGPA: 3.71 out of 4.00 (High Distinction)

SKILLS

Web Application Testing, API Testing, Java, Postman, Selenium WebDriver, Playwright, REST Assured, SQL

PROJECT

Selenium Java Test Automation Architecture: Ready-to-use UI Test Automation Architecture using Java and Selenium WebDriver (https://github.com/Tahanima/selenium-java-test-automation-architecture)

Playwright Java Test Automation Architecture: Ready-to-use UI Test Automation Architecture using Java and Playwright (https://github.com/Tahanima/playwright-java-test-automation-architecture)

HONORS & ACHIEVEMENTS

- Contributed 10 data providers to the **Data Faker** open source Java library (https://github.com/datafaker-net/datafaker/commits?author=Tahanima)
- Authored 80+ programming challenges at **HackerRank** (Mar 2017 - Apr 2019)
- Champion (out of 64 teams) in NSU Inter University Girl's Programming Competition 2018
